To Friends of the Veterans of Foreign Wars

The SGT Adam S. DeCiccio Warwick Memorial Post 272, VFW, 1st Annual Golf Tournament

Dear VFW Friends:

Please join us for our 1st Annual Golf Tournament scheduled for Thursday, May 19, 2022 at the Cranston Country Club. Please see the attached registration form for the tournament details.

Adam was a remarkable man who loved his country. He joined the U.S. Army after his graduation from High School and after September 11, 2001, he was deployed in combat to both Afghanistan and Iraq. Upon his return from war, Adam continued his service to his country by assisting Veterans and their families in need. Adam lost his fight with the effects of war on December 5, 2020. The Warwick Memorial Post 272 was renamed and rededicated in his honor on September 11, 2021. This golf tournament will provide the resources necessary to assist our needy Veterans and their families and to honor Adam's selfless service and continue his legacy in the name of all Veterans.

Please sign up to play in the golf tournament today. If you are unable to play, please consider a donation or become a tee sign sponsor.

Thank you for your support. Should you have any questions, please contact us.
