Council of Administration Report 04-09-2024

To whom it may concern,

**UVCRI Delegate report for CoA meeting April 9, 2024**

The United Veterans Council of Rhode Island normally meets nine (9) months of the year. It usually meets on the first Thursday of each month except there are no meetings in June, August and December each year. Since our last Council of Administration meeting we have had three UVCRI meeting.

At our February, March & April meetings, which were in person and virtual, we had six (6), five (5) and seven (7) of our nine (9) member organizations represented, we had a quorum for each meeting.

There were no questions for our meetings with the Director of the RI Office Veterans Services.

The Service Level Agreement, from DCAMM was discussed in length by all present and it appears this SLA is for a state Agency that is a Client Agency within a state building. It was agreed that Joe Janeiro would setup a meeting with a representative of DCAMM and a few of the member organization representatives to try to come up with an SLA that is applicable to our federally chartered veterans' organizations, whose headquarters are in the Powers Building.

Legislation Committee gave their report on National and Local Veterans legislation and all questions were answered.

Each organization gave a report on what is happening in their organizations, which is recorded in the meeting minutes.

The good of the order was the next order of business. The next meeting of the United Veterans Council RI is on Thursday, May 2<sup>nd</sup> at 6pm in person and via Zoom. The next meeting with the Director of the RI Office of Veterans Services is on Thursday, April 11<sup>th</sup> at 2PM via Zoom.

The closing ceremonies were conducted and the meetings were adjourned as per our bylaws.

Respectfully Submitted,

John P Gallo Sr., Delegate
